VIRTUALLY FABULOUS PD

April 21 & 28; May 5 & 12 • 11:30am-1:00pm ET

For anyone who is moving their professional development, conferences, university classes, or other types of trainings to an on-line format. Two giants in the field of inclusive and virtual instruction Dr. Kristie Pretti-Frontczak and Dr. Julie Causton share everything they know about remote instruction for adults – it is so much more than you think. From webinars to conferences to college courses...we've got you covered! This series will maximize your ability to design and deliver effective professional development to adult learners...virtually. This is a four part LIVE series. Participants will have lifetime access to resources and 3-month access to recorded sessions.

CIRCLE MAKERS SUMMER ACADEMY

August 26 & 27; September 2 & 3 • 10am-4:00pm ET

This academy is for all educators interested in moving toward more inclusive opportunities for all students. Participants will receive useful ideas and strategies on how to create inclusive lessons and inclusive schools by focusing on students with diverse abilities and issues related to race, gender, culture, and language. Topics will include: differentiation, UDL, co-teaching and utilizing paraprofessional support.

2021 SUMMER LEADERSHIP INSTITUTE

August 9, 10 & 11 • 9am-4:00pm ET

This is the inclusion event of the year! For three interactive days, we'll be learning with and from international experts and hearing amazing presentations from incredible experts and advocates in inclusion, anti-racism, and leadership support. This event will help you become re-inspired around inclusion/ Hear from districts all over the world about how they're doing inclusion and making it work. Discover how to support staff and families, special stuff around re-opening and rethinking education, especially for students with disabilities during and after the pandemic Register today and you'll leave this year's institute with the practical ideas and inspiration you need to create more inclusive schools! Now is the time for leaders like you to reimagine education for all students.

MASTERMIND FOR EDUCATIONAL LEADERS

More Information Coming Soon!

A Mastermind is a strategy used across industries to help individuals get clarity, reach personal and professional goals, and build strong networks. Masterminds are comprised of carefully curated leaders who see the value in social-networks, are driven to make a change, and are looking to benefit from the expertise of others. The community's sole purpose is to be life giving and soul affirming.
